

DR. BART SAYLE

CEO & FOUNDER OF BREAKTHROUGH GLOBAL

THOUGHT LEADER & INDUSTRY EXPERT

DR. BART SAYLE is a global authority on business culture, leadership and innovation.

A trusted advisor on vision and strategy, Bart has cracked the code on how to undo the damage that organisational change can have on people, processes and financial results. With his innovative insights on mindsets and leadership, he helps businesses turn around and helps lift people out of organisational decline and the human struggle this causes.

Bart has a kaleidoscopic background as a scientist, cultural anthropologist, business leader, entrepreneur, explorer and mountaineer, with a lifelong interest in creativity, culture and human nature.

Driven by a vision that the world of business can be made much more effective, Bart has worked with 100,000 people in over 60 countries. He has been partnering with high performance individuals for 30 years within some of the world's most powerful businesses. He works closely with Senior Teams of Fortune 500 companies to deliver powerful live experiences, inspiring through his powerful speaking style.

POPULAR TOPICS

CULTURE IS YOUR GREATEST COMPETITIVE ADVANTAGE

What causes seemingly successful companies to fail?

Culture is made up of our mindsets, behaviours and language, which influence our ability to perform at the highest level. It can be our greatest competitive advantage or disadvantage. In this delivery, Bart shares ways of shaping and transforming our culture to accelerate business growth and drive engagement. Learn how to harness the power of insights, inspiration and intentionality to unleash exponential growth.

THE POWER OF THE FULL ON STATE

Do you manage your energy or does your energy manage you?

We all have the power to control our own energy levels. However, it can feel like life gets in the way of achieving our goals, draining our energy and resources. This highly energising and experiential delivery will transform an audience's relationship with their energy.

RECESSION PROOF YOUR BUSINESS: HOW TO STAY AHEAD

The rate of change is faster than ever before. With political, environmental and societal influences constantly shaking up your business, it can be hard to see the endgame.

Bart will bring you 'back to basics' and show participants how to future-proof their organisations. With actionable tools and insights and recent case stories, participants will leave feeling empowered, energised, and in control of their own future.

MAGICAL THINKING AND HEROIC ACTION: HOW BREAKTHROUGH CREATES BILLIONAIRES

You have all the resources you need to be successful. But most people don't know how to be resourceFULL. In this talk, Bart shares more about the revolutionary work he did with companies like Wrigley and Mars, and shares the tools they used to grow their business exponentially and create a powerful business transformation.

FIX THE ONE THING BEHIND EVERYTHING: THE BREAKTHROUGH MINDSET

We know that Mindset drives everything.

Other companies treat the symptoms but Breakthrough goes to the root of every business issue: the beliefs, limitations, and doubts of its people. In this talk, Bart will enable participants to think in new ways beyond any imagined limitations. Bringing you towards a higher self-awareness, the Breakthrough Mindset leads you towards extraordinary results beyond anything you would have thought was possible.

CUSTOMISED TO FIT YOUR NEEDS

As a much sought-after convention and conference speaker, Bart has energised audiences worldwide, over a wide variety of industries. Bart can work with you to customise the perfect experience, from one hour up to a full-day. His speaking engagements range from large venues to intimate gatherings where he delivers highly customised experiences.
